Jane: Hi! How are you?! I haven't seen you for ages! How's your family?

Anne: Hello! How are you? You look great! We're all fine. How are your parents?

Jane: They're very well, thank you! Oh, I'm so surprised to see you here!

What do you do when you meet new people? Are you friendly? Do you often smile?

Paul: Jake, this is Evan. He's my cousin.

Jake: Hi, Evan. I'm pleased to meet you.

Evan: How do you do, Jake? Good to meet you too. I've heard a lot about you.

- 2 Do you know how they communicate?

3 Listen and read. Check your answers to the questions in activity 2. 

Animals talk to people in different ways and some people learn to understand. Koko is a very intelligent gorilla. She lives with some scientists in the United States. She knows about one thousand signs and she understands about two thousand words in English.

Many animals, like dogs, cats and elephants, make a noise to communicate and some animals communicate over a long distance. Whales make a sound like singing and the noise travels hundreds of kilometres under the sea to other whales.

Some animals communicate in other ways. Bees dance when they find food. Then other bees know what direction to go in.

Stories about people talking to and understanding animals are popular in English. Three famous stories are *Tarzan*, *The Jungle Book* and the Doctor Dolittle books. Doctor Dolittle is a scientist with many animal friends. He talks to them in their languages.

4 Read and tick the true sentences. Then correct the false sentences.

- 1 Koko can understand one thousand English words.

5 Read and answer the questions.

3 Listen and read. Find out why football is so popular. 

Football is the world’s favourite sport, with more than 250 million players in more than 200 countries. You only need a ball, people and a place to play. You don’t need a pitch; it can be the street, a playground, a park or a beach. You can play when the weather is good, in the rain or when it’s freezing (but that can be dangerous!).

World Cup™ finals

2010	South Africa
2014	Brazil
2018	Russia
2022	Qatar

Every four years, players from all over the world meet for the greatest football competition of all – the World Cup™. Most countries enter but only the 32 best teams go to the final. The only team that have played in all the finals is Brazil. They have also won the competition more times than any other team.

Everyone wants to have the World Cup™ in their country – there is a competition for this also. The winning country needs to have good places for the matches – enormous stadiums with fine pitches. It also needs to have good transport for all the people who travel to watch the matches, and lots of places for them to eat and sleep.

4 Read and tick the true sentences. Then correct the false sentences.

- 1 You can play football in good weather and in bad weather.
- 2 The World Cup™ is every five years.

Many parents came to the school today to see the crafts. We are sure they all went home very pleased with what they saw.

We all think that Amani made the best ceramics. She made some amazing bowls from clay. They had lovely shapes and she painted loads of little flowers on the bowls. She used beautiful colours. They were fascinating to look at and all the parents wanted to buy one.

Dear Amir and Rania,

I'm in Washington with some friends! I've found a computer games competition. I've already played – and won – loads of matches. I usually play on the Internet but at this competition we play in a team and meet the other players – that's interesting! I'm doing well so I'm really excited!

It's freezing here in the US now so it is excellent that I have something interesting to do. I have already made some visits to other cities and places in the US. Last week I went to a strange but fascinating city (I can't remember its name!). I saw some old streets and I went to the Chinese part of the city. See my photos.

When the weather is warm again, I'm planning to go on a hike to see some famous trees. They're enormous! I'll send a photo I've found so you can see how big they are.

Be good both of you. You should help your mother in the home so she has time to have a rest.

Bye for now,

Uncle Bilal
